Dear Potential Sponsor:

Sparks Babe Ruth Baseball League is the largest non-profit youth baseball league for children ages 13 to 18 in Northern Nevada. As such, we need to purchase more uniforms and equipment than other leagues. In that regard, the organization relies on the support of local business and the community in fundraising and/or sponsorship activities. That is where you as a sponsor come in.

Sponsorships are accepted in the following manner:

- **\$350 for all sponsors**

Note: These monies can be collected from one sponsor or many sponsors and/or team parents/fundraiser, etc. These monies MUST be collected prior to the start of the regular season schedule.

Advantages include:

- Team sponsors will also receive a team picture mounted on a plaque (if one sponsor/organization is provided)
- Team Sponsors will also receive an honorable mention and link from our sponsor page on the Sparks Babe Ruth internet website, (noted above).

Our season runs April through June followed by All Stars in July. We also run a fall ball program September through October. Please make checks payable to Sparks Babe Ruth Baseball and remit to the address noted above.

Thank you for your time and consideration. If you can assist in supporting our league, or have any questions, please contact the following individuals via email:
