Babe Ruth All Star Info

Sparks Babe Ruth League, Inc. is attempting to identify players that may be interested in participating on a Babe Ruth All-Star team. Answering yes or no does not guarantee or negate consideration during All-Star balloting. All-Star practice begins in July at the conclusion of the Sparks City Tournament and can run through the mid-August. Players interested in participating must be available for all practices and games. Additional expense to participate is required. Players and their families will be responsible for travel accommodations and costs to any state tournament. If the team advances to any regional or national tournament, Sparks Babe Ruth will help with expenses.
